

## Stay connected with loved ones and friends during any health event

National Rehabilitation Hospital

is pleased to provide CarePages websites as a benefit to families and their loved ones. Through free, personalized CarePages websites, members can create their own community of hope. In just a few easy steps, you can create a CarePages website and begin to share your journey with others.

To create a CarePages website, visit your hospital's homepage or CarePages.com and click on "create a Carepages website" at the top of the page.

### Get started today!

The screenshot shows a CarePages website for a user named Julia. The page layout includes a navigation bar at the top with options like 'create', 'visit', 'learn', 'connect', and 'support'. Below the navigation, there's a 'Welcome to Julia's Page' section. The main content area is divided into several sections: 'My Community' (1) showing 3 visitors and 1 message; 'About Julia' (2) with a profile picture and bio; 'Photo Gallery' (3) with two photos; 'CareCompliment' (5) with a 'Send a Compliment' button; 'How to Show Support' (4) with a list of options like 'Send a gift from the CarePages Gift Shop'; and 'Supporters of test\_spectrumheal...' at the bottom. The page is annotated with numbered circles 1 through 5 highlighting these features.

### A CarePages website features:

- 1 **A Personal Profile**  
Share a summary of your story
- 2 **The Opportunity to Send Updates**  
Update everyone at once about your progress
- 3 **A Place to Post Photos**  
Your personal photo gallery can be shared with loved ones
- 4 **A Private Email Address**  
Email alerts allow you to invite others to receive your latest updates
- 5 **A Way to Compliment Staff**  
With a CareCompliment, you can recognize hospital staff members who go above and beyond
